The banner features a screenshot of the JasminCam software interface. The interface is divided into two main sections: 'Statistics' on the left and 'Quick Settings' on the right. The 'Statistics' section displays a 'Total' earnings of \$150,000, a 'Today earnings' of \$100, and a '18h 50m' duration. It also shows a '10000' goal and a '12,333' current amount. The 'Quick Settings' section includes a live video feed of a woman, a 'Camera' dropdown menu, a 'Quality' dropdown menu, and a 'Resolution' dropdown menu. The interface is decorated with several emojis: a yellow bell, a winking face with a tongue, a smiling face with hearts, and a yellow heart.
