

Stripchat payment methods and options: frequency and minimum amounts

Stripchat payment methods and options: frequency and minimum amounts

Models

Model payouts are paid by your studio. Payout frequency and options: Studio payment methods include weekly payouts, typically sent on Friday, covering prior earnings and any remaining balance from earlier periods.

If you change your payment settings on Monday or Tuesday, the payout will be cancelled and made only the following week.

We make payouts every Friday via:

ACH/Direct Payments (delivered within 2-10 business days)

Minimum amounts

Your payout is scheduled once you reach the minimum amount set by each provider:

For ACH/Direct Payments and EUR Wire Transfer (SEPA) the minimum is \$100
