

What are Favorites, and how to become someone's Favorite?

What are Favorites, and how to become someone's Favorite?

Models

If someone really likes you and your shows, they can add you to Favorites. For that, they use the heart  icon in your room.

When they do:

You appear at the top of their home page whenever you're live

You can also be found in the My Favorites section at all times

Your posts show up in their Feed
